

What about your career?

- > How can I develop my international, possibly academic, career?
- > I'm new here. What can I do for my career while I'm at the University of Groningen?
- > I'm not sure I want to stay in academia. What other options does my degree give me?

If you are asking yourself questions like these, the career management workshop may be just what you're looking for.

In this workshop you will learn how to create a personal profile and a detailed career plan. If participants are interested, we will also deal with such topics as the labour market, networking and conducting a job interview.
