

Looking for work in *Australia*

Expertise in Labour Mobility has prepared practical guides to support you in your job-hunting abroad. A thorough preparation will give you a head start in the country of your choice.

Editorial Review

The *Looking for work in Australia* guide tells you about CV writing, recruitment practice, country profile and management differences. It's the first step on your route to success abroad. Because, an international career needs more than just a mere CV translation!

Country Profile

- Australia is part of the British Commonwealth with the Queen Elizabeth II as the chief of state.
- Australia is an island of continental scale with the largest English speaking population in Southern Hemisphere.

Work permits in Australia

- The Australian government uses point system as a consideration to obtain a work as well as a residence permit.
- If you want to know more about the point system use by the Australian government, *Looking for Work in Australia* guide has the answer!

Writing a CV and application letter in Australia

- The Australian CV is more commonly known as a *resume*.
- The resume should be type-written and not more that two to three pages long (A4).

The application procedure in Australia

- An applicant should try to highlight his/her strong points for the job.
- Foreigners should depict how they in particular can add value to the work place.

Management culture in Australia

- Most meetings in Australia start with a little bit of small talk.
- In business life, personal relations are very important.
