

## Looking for work in *Italy*

Expertise in Labour Mobility has prepared practical guides to support you in your job-hunting abroad. A thorough preparation will give you a head start in the country of your choice.

### Editorial Review

The *Looking for work in Italy* guide tells you about CV writing, recruitment practice, country profile and management differences. It's the first step on your route to success abroad. Because, an international career needs more than just a mere CV translation!

### Country Profile

- Italy is a Mediterranean country with republic as the governmental system.
- Vatican City State is a papal state independent state completely enclosed by Rome.

### Work permits in Italy

- EEA citizens are free to move and work wherever they want to within the EEA.
- You need to apply for a residence permit. This is valid for five years and should be issued within six months of your arrival.

### Writing a CV and application letter in Italy

- There are no strict rules for a CV in Italy, but it should not be too long, not more than two pages.
- The application process tends to be long, up to three months, so start searching for a job in Italy on time.

### The application procedure in Italy

- One of the best ways of finding a job in Italy is through networking.
- Do you know that in Italy all job appointments are dealt by the Italian public job centres? If you did not know about it, you should get *Looking for work in Italy* and find more information about Italian employment market and route.

### Management culture in Italy

- Most companies in Italy have a clear hierarchical structure based on traditional leadership.
- For Italians time has been created to meet other people. Punctuality is less of an issue as it is elsewhere.
