---

### Editorial Review

The *Looking for work in Singapore* guide tells you about CV writing, recruitment practice, country profile and management differences. It's the first step on your route to success abroad. Because, an international career needs more than just a mere CV translation!

### Country Profile

- Singapore is an island situated in Malayan Peninsula. It consists from one main Singapore Island and 58 other smaller islands.
- There are four languages spoken in Singapore. English, Mandarin-Chinese, Malay and Tamil.

### Work permits in Singapore

- There are different work permits in Singapore which depends on the level of income.
- Ministry Manpower of Singapore provides good explanation about work permits procedure.

### Writing a resume and application letter in Singapore

- In Singapore the term resume is used instead of CV.
- You may be asked to state the name, education level and job of your parents in a Singaporean application form. This is quite common in Asia.

### The application procedure in Singapore

- The main national newspapers are useful resources for information about the labour market and job openings.
- Showing an open mind towards different cultures is very important in the highly competitive, multicultural Singaporean job market.

### Management culture in Singapore

- Singaporeans are not much in favour of strict deadlines.
- There is a strong of expatriates in multinational organizations in Singapore.
