

Looking for work in *the United Kingdom*

Expertise in Labour Mobility has prepared practical guides to support you in your job-hunting abroad. A thorough preparation will give you a head start in the country of your choice.

Editorial Review

The *Looking for work in the United Kingdom* guide tells you about CV writing, recruitment practice, country profile and management differences. It's the first step on your route to success abroad. Because, an international career needs more than just a mere CV translation!

Country Profile

- The Constitutional monarchy of the United Kingdom consists of England, Scotland, Wales and Northern Ireland.
- Although the UK is part of the European Union, the country opted out the European Monetary Union.

Work permits in the United Kingdom

- EEA citizens are free to move and work anywhere within the EEA including the UK.
- UK's Tier 1 visa for highly skilled migrant allows highly skilled individuals who score the requisite points to immigrate to the UK without any kind of sponsorship from an employer.

Writing a CV and application letter in the United Kingdom

- UK companies generally attach less importance to someone's marital status than in most European countries.
- When recruiting, usually many companies in the United Kingdom work with forms.

The application procedure in the United Kingdom

- Speculative applications in Britain are only worth the effort if well researched in advance.
- Realise the importance of language skills. Having a social conversation is very different from a business negotiation.

Management culture in the United Kingdom

- Politeness is highly appreciated in the UK.
- The British are formal and opt for polite phrases to explain a situation or give criticism.
