

## Looking for work in Canada

Expertise in Labour Mobility has prepared practical guides to support you in your job-hunting abroad. A thorough preparation will give you a head start in the country of your choice.

### Editorial Review

The *Looking for work in Canada* guide tells you about CV writing, recruitment practice, country profile and management differences. It's the first step on your route to success abroad. Because, an international career needs more than just a mere CV translation!

### Country Profile

- Canada is a bilingual country. French and English are the two spoken languages.
- Canada is part of the British Commonwealth with the Queen Elizabeth II as the chief of state.

### Work permits in Canada

- EU and US citizens may enter Canada for up to three months without a visa.
- A personal interview, medical test and background check are typical for an application for a residence permit.

### Writing a CV and application letter in Canada

- Do you know the differences between an application letter in the English-speaking areas and French-speaking areas in Canada? *Looking for Work in Canada* guide is your answer for this question!

### The application procedure in Canada

- The application process in Canada is rather commercial; a candidate has to actively sell him/herself.

### Management culture in Canada

- Employees are always strongly motivated by their superiors and there is little direct criticism in either direction.
- In meetings, formal introductions and ice-breaking sessions are direct and short.
