

**Always dreamt of moving to Portugal? Why not start by preparing yourself for the ride...and getting ELM's new Career Guide to Portugal!**

Moving to another country will be without a doubt one of the best choices you will ever make, however, don't make the mistake of thinking it will be easy. A new country with a new culture ultimately means new rules. How will your new boss in Portugal react when you show initiative and give your opinion about the new budget proposal that she just presented? Would it be a wise move to invite your work colleagues for an after-work drink at the pub around the corner?

Expertise in Labour Mobility's guide to Portugal will help you better understand the cultural idiosyncrasies of the country, as well as give you the tools that will help you go through the whole process of finding a job and relocating to Portugal, including visa requirements, tailoring your CV, and showing you effective job-seeking techniques. Additionally, you will get a thorough overview of the history of Portugal, as well as a multitude of country curiosities, such as the climate, national holidays, and population facts to name a few.

In the past few months, ELM's international and local experts have researched fervently, and are proud to announce the release of 'Looking for Work in Portugal' in November 2011! Joining the series of 'Looking for Work in ...' career guides, most of the titles are now also available on Amazon.com, Bol.com, as well as on our own website: [LabourMobility.com](http://LabourMobility.com).
