

Nannette Ripmeester

Nannette Ripmeester is founder and director of Expertise in Labour Mobility (ELM). ELM is specialised in customising solutions for international labour mobility. Since 1992, HR professionals build on ELM's strategic and in-depth knowledge when doing business in new markets. Together with her team Nannette works under the motto of Making Mobility Work.

Nannette Ripmeester is considered an expert on global mobility trends. She is regularly invited to speak at international conferences and has written extensively on international job-hunting practices and living and working conditions abroad. ELM has published over 40 career guides in the series "Looking for work in..." focusing on cultural management issues and job hunting differences in over 40 countries. Ripmeester is an acknowledged trainer who has developed training courses to enhance global corporate success. ELM assists companies and individuals (expats) working across borders and between cultures.
